Halloween Party A Smash

It was party like no other. Guests arrived in costume at Angela & Risa's annual Halloween party with quiet a few surprises. The backyard had been converted into a graveyard

and haunted spook house.

Guests were encouraged to carve their own pumpkin for the pumpkin contest. There were about 8 couples that endeavored this tasks and three of them walked away with gifts for having the best pumpkins.

Food was a delight at this event. Being in shapes of eyeballs, fingers, and spiders one had their chose of many different foods to warm their blood.

Thank you Angela & Risa for hosting the party of the year.

If you know of any couples that are interested in our organization, this is a great time to bring them to scheduled events so they can get to know the members and learn more about our organization. The success of our organization depends not only on addressing the needs of our current members but also in attracting new members. We must build upon the foundation of the current members and encouraging other couples to see what we are all about. This effort has to be a combination of group gatherings, member support, and involvement by *you*.
